Village house with potential in Safranier, Old Antibes

Antibes - 865 000 €

Ref. 85578699

Nestled in the heart of the highly sought-after Safranier streets, this village house is a rare opportunity to create a unique property perfectly tailored to your needs. Currently divided into a one-bedroom apartment, a duplex apartment with a terrace, and a large high ceiling storage cellar, it offers endless transformation possibilities.

Imagine converting the ground floor into a charming studio or loft, creating a spacious one-bedroom apartment on the first floor, and fully utilizing the potential of the top two levels either as a spacious duplex with a rooftop terrace and a well-exposed summer kitchen, or creating a one-bedroom apartment on the second floor and a studio with a large terrace on the third level of this character-filled house.

This property can become a highly profitable investment opportunity for strategic rental income.

Prefer a well-located family home instead? Combine the spaces to craft a unique residence with generous volumes and a rooftop terrace, perfect for enjoying the sunny Côte d'Azur lifestyle.
